

# ONLY 2 BUCKS! FOR SUCCESS!

Pre-Launch by Mark Smith &  
Chuck Rollason through the end of  
January – 2003

Hello my good friends,

After we, Chuck Rollason & Mark Smith, were taken aback by the tremendous response we received from the Harry Cross pre-launch of his downline for International Coin Liquidators, we have decided to give our downlines the opportunity to take advantage of a good pre-launch vehicle to do the same with their downlines. We've contacted the company and have their blessing and support so jump on board now and build your own pre-launch downline! Don't put it off, join now, as time is of the essence! Check out this wonderful program at: ([www.icliquidatorsonline.com](http://www.icliquidatorsonline.com)). Mark & Chuck look forward to working with you in one of the sweetest programs we've ever seen! Take a look at some of the pluses for this program that will help put money in your pocket!

1. Our product is real and valuable U.S. minted coins!
2. You'll receive a **BIG** \$25.00 fast start bonus for each person you sponsor!
3. You'll receive 50 brochures and 50 buyer names each month!
4. A powerful spillover creating a 2 X 8 forced matrix!
5. 2% Infinity Bonus!

***The key is to immediately send in your 2-bucks to Chuck Rollason, (he's taking care of the downlines, placement, marketing materials etc.), and as soon as you get your marketing materials, spread the word like crazy!!! How many folks can you attract for just 2 lousy bucks? I'll bet you can **EASILY** get a bunch! (You may promote with just your name 'til you receive your ID #)***

Then when February of 2003 comes, you simply follow the instructions that Chuck sends to you to become a distributor and with downlines in Place – **BINGO—We** begin to reap the rewards of our efforts! But remember, you **MUST** join in February, to get the benefit of the group effort.

And here is the beauty of this plan—you will get my spillover, you will get my sponsor's spillover and so on all the way up to Mark and Chuck's spillover!. **Can you even imagine the collective effect of our efforts?**

Folks, let's just see what happens with this one! The risk is tiny and the potential cash flow to **YOUR** & my mailbox is phenomenal!!!

**So get your 2-bucks in the mail & get excited about this one!!!**
